Blazer

CAMIRA | wool | 1 of 5 | **KY** | price group 3

Camira's classic, naturally eco-friendly, pure wool fabric. The perfect choice for all upholstery and acoustic applications. Made from premium New Zealand lambswool, Blazer is a timeless wool felt fabric which embodies everything we do: we spin the yarn, weave the cloth, mill the fabric and dye it into our most extensive palette of 77 colourways. Sustainable by design, Blazer is natural and renewable, backed by an independently verified Environmental Product Declaration and certified to the EU Ecolabel.

Oceanic

CAMIRA | recycling | 1 of 2 | **KY** | price group 3

Oceanic is the eco-choice for seating upholstery.Oceanic is a fabric born of the SEAQUAL INITIATIVE designed to combat marine plastic pollution and achieve a waste free environment. It is created entirely from post-consumer recycled plastic - from debris floating discarded in our seas, used to make SEAQUAL® YARN, to bottles thrown away and destined for landfill. One small drop in the mission to clean both the earth and its ocean, this contemporary fabric is a recycled polyester with a purpose.
